The Haddon Township Business Improvement District (HTBID) is dedicated to one important goal: promoting a more positive and prosperous climate in which one can conduct business in our community. It is the preferred source of information for new and existing businesses, as well as a leading force in improving and revitalizing our downtown to the benefit of owners and residents alike.

The HTBID's Advisory Board is comprised of appointed members from Haddon Township's two distinct business districts- Westmont/Downtown and South of Haddon Arts/Business District.

The HTBID Advisory Board holds meetings on the second Monday of January, March, May, July, September, and November at 8:30 AM in the Municipal Annex Building (behind the Municipal Building) located at 10 Reeve Avenue.

Please contact the Director of the BID at (856) 854-1176, ext. 4194 or at kburns@haddontwp.com
