

Haddon Township property owners who believe their equalized property assessments do not reflect the acceptable range within market value have the right to file an appeal each year on or before April 1st of the Current tax year. Appeal applications are available from the Camden County Board of Taxation or in the Haddon Township Tax Assessor's office after February 1st. An appeal cannot be filed based on the amount of taxes being charged to a property. Some properties may be eligible to file directly with the Tax Court. Appeals on properties with an assessed value in excess of \$1,000,000 may be filed directly with the Tax Court in Trenton. The Tax Assessor represents the Borough in all tax appeals before the Camden County Board of Taxation and State appeals before the Tax Court of New Jersey.
