

Haddon Township Helps Homeless Animals

Haddon Township's *Packaging with a Purpose: Recycling with a Heart Program!* diverts thousands of packaging materials from landfills to Terracycle. The eco-company Terracycle partners with communities to up-cycle traditionally non-recyclable materials into new products. In turn, Terracycle donates 2 cents to the charity of our choice, **Almost Home Animal Shelter**. Items can be brought to the Department of Public Works. For further information, contact Barbara Prince bprince@haddontwp.com. **Your trash can make a difference. Last year Terracycle donated \$490.00 on our behalf to the shelter!** Please clean all items prior to bringing your Terracycle products to Haddon Township Department of Public Works, during normal business hours: 504 Oneida Avenue Haddon Township, NJ. **For more information, please see our website: www.haddontwp.com ; under the Departments Tab, Sustainability and Recycling Section, and go to the Terracycle section towards bottom of page.**
