TO: Residents of East Greenwood Avenue (Between the White Horse Pike and Johnson Road)

RE: **PROJECT STATUS**

Improvements to the Sanitary Sewer Collection System in the Bettlewood Section of the Township of Haddon, Camden County, New Jersey  
(Funded through the New Jersey Department of Environmental Protection Municipal Wastewater Assistance Program, N.J.D.E.P. Project No. S340115-01 (KEI #10-1297))

Dear Resident:

It is anticipated that Underground Utilities Corporation will be working on the section of East Greenwood Avenue between the White Horse Pike and Johnson Avenue beginning Monday or Tuesday of the week of August 16, 2010. Underground Utilities will be installing water main piping while the gas company is also working on the street installing the gas main piping.

It is necessary that all automobiles be removed from the street each morning so the work can take place.

We thank you for your patience during the construction and if you have any questions or comments, please do not hesitate to contact me at this office.

Sincerely,

Gregory B. Fusco, P.E., P.P., C.M.E.  
Haddon Township Engineer
