TO: Resident of Oakland Avenue

RE: **PROJECT STATUS**
Improvements to the Sanitary Sewer Collection System in the Belllewood Section of the Township of Haddon, Camden County, New Jersey
(Funded through the New Jersey Department of Environmental Protection Municipal Wastewater Assistance Program, N.J.D.E.P. Project No. S340115-01 (KEI #10-1297))

Dear Resident:

Public Service Electric and Gas has completed the installation of the gas service to each home on Oakland Avenue, between the White Horse Pike and Johnson Avenue, and is currently installing gas services on the street between Johnson Avenue and the dead end.

Beginning the week of August 2, 2010, Underground Utilities Corporation will begin installing water services on the street between the White Horse Pike and Johnson Avenue.

We will continue to keep you informed of the project status by way of these notices.

This notice will also be placed on the Township website for your convenience.

We thank you for your patience during the construction and if you have any questions or comments, please do not hesitate to contact me at this office.

Sincerely,

Gregory B. Fusco, P.E., P.P., C.M.E.
Haddon Township Engineer
