

## SEAHAWKS SWIM TEAM REGISTRATION

It is that time of year again...time to register for Seahawks Swim Team! Swimming is excellent for conditioning athletes, teaching our children time management skills, self-discipline, and giving them the opportunity to set and reach individual goals.

Swimmers ages 5 – 18 are eligible to sign up. Along with the competitive team a developmental program is offered for those who can swim a lap in any of the legal strokes. Competitive practice starts in May and Developmental Program begins after the July 4<sup>th</sup> holiday. Developmental helps to prepare the swimmer for competition. This program is for children who already know how to swim and focuses on correcting form, this is not for children who do not know how to swim.
