On November 13th, 2018, Ryan Linhart was sworn in as our newest Commissioner of Revenue and Finance after being appointed by Mayor Teague and Commissioner Mulroy. Commissioner Linhart holds a Masters Degree in Public Administration from the University of Pennsylvania and a Bachelors Degree in Geography from Rutgers University. He is currently employed as a financial analyst at the University of Pennsylvania and has served as a member of the Haddon Township Shade Tree Commission, the Delaware River Port Authority's Citizens Advisory Committee and worked with the municipality as the chairman of the New Jersey Avenue Playground Renovation Committee. Involved in scouting throughout his life, Commissioner Linhart earned the rank of Eagle Scout and remains active as an assistant Cub Scout Leader. Ryan and his wife, Genevieve Cattanea, are the proud parents of three

young sons---Bennett, a 1st grader at Strawbridge School, Sebastian, is in Pre-K at Edison School and six-month-old Theodore.

Commissioner Linhart would like to extend a big "Thank You" to his family, friends and the residents of Haddon Township who have reached out and embraced his pursuit to represent Haddon Township as an elected official. "It is an honor to have been appointed by Mayor Teague and Commissioner Mulroy to fill the vacant sear and I look forward to representing the best interests of our town as the Commissioner of Revenue and Finance." Mayor Teague and Commissioner Mulroy believe that Commissioner Linhart shares their philosophy for moving our town forward and will be an asset in his position due to his strong background in finance.

**SHOP HADDON! SHOP LOCAL!**

*Mayor Teague & Commissioner Mulroy at the Grand Opening of Phidelity Records*

“Shop local” isn’t just a one-day event, a trendy hashtag or a catchy marketing campaign, for business owners in Haddon Township---it’s a way of life. As your elected officials, we know that small, locally owned businesses are the backbone of a vibrant, thriving community and downtown business district. Small businesses create jobs, support our schools, athletic programs and other non-profits and add distinctive character to our downtown along with enhancing residents’ quality of life.

When you shop with a local business, your hard-earned dollars support Haddon Township, the place you call home. So, instead of traveling to a mall or shopping online, we encourage you to “shop local first.” A commitment to spend even ten percent more of your discretionary income will make a big impact generating more local wealth and jobs. According to Independent We Stand, for every \$100 that is spent at a locally owned business, \$68 will stay in the community and that’s a significant reinvestment.

When new retailers and restaurants are searching to move into a new market, they tend to look at demographics and how much money is spent locally. With the recent transformation and revitalization of our business corridors, it has brought a new influx of business wanting to call Haddon Township home---**Target, A.C. Moore, Acai Cafe, Crescent Moon Wellness, Fashion du Jour, and opening soon, Central Taco & Tequila** and a brand-new, modern **McDonalds**.

We invite you this holiday season to show your community support and appreciation by visiting a locally owned business and making a commitment to shop Haddon Township all year round. As 2018 comes to a close, we are thankful for your support in making Haddon Township a community that truly thrives. We would like to wish you and your families a very happy and healthy holiday season and hope to see you at some of the many events in town.

**HOLIDAY TOY & FOOD DRIVE**

The Holiday season should be a time of magic and joy for children everywhere, but sadly, it is not. Families in Haddon Township are struggling with budgets that cannot meet basic household needs, much less provide gifts for the holiday.

Mayor Randall Teague, Commissioner Jim Mulroy and Commissioner Ryan Linhart are once again sponsoring a town-wide toy and food drive for families in need. Donations of unwrapped toys, non-perishable food items, gift certificates and monetary donations are being accepted at the Municipal building, Walgreens, Westmont Fire Co. #1, all Haddon Township schools and the Annex building through December 17th.

If you or your family would like to support Haddon Township's Annual Toy and Food Drive this holiday season, please feel free to contact Kate Burns at [kburns@haddontwp.com](mailto:kburns@haddontwp.com). Every contribution, no matter the size, will ensure that Township families will experience everything the holiday should bring---magic, joy, love and perhaps most of all, hope.
