Stay informed on the latest news and upcoming events.

HTPRIDE Parade + Events Postponed

As you may be aware, Camden County has declared a Code Red for Unhealthy Air due to smoke traveling from wildfires in eastern Canada. The conditions have made it unhealthy to breathe, especially for sensitive members of the public and the County has recommended to cancel outdoor events and activities. Due to these extraordinary circumstances, which are beyond our control, we find ourselves making the difficult decision to postpone our annual HT Pride Events.

We are currently coordinating with all involved parties to reschedule this weekend's HT Pride Events, including both the Parade and Pride + Progress Community Night. We will send an update as soon as we have additional information and have agreed upon new dates.

We look forward to celebrating Pride with you in the near future!
