2. Maintenance of Human Resource records in-house with a software product that communicates with the payroll vendor's mainframe.
3. Data entry and maintenance of payroll entries in a user-friendly environment is required. Multiple users in a single payroll batch preferable.
4. Process bi-weekly tax liability payments.
5. Integrate budget distribution data and import to Edmund's Finance Software.
6. Ability to create reports in a variety of formats.
7. Turnaround time to process payroll should not exceed 2 hours.
8. Delivery of paychecks the following business morning.
9. Accessibility to payroll, budget distribution and tax reports immediately after payroll has been processed by the vendor.
10. Flexible time management resources.
11. Direct Deposits to employees and vendor accounts to be made timely.

12. Support and training on all facets of the time management, human resource and payroll functions.
13. Ability to enter various work schedules (i.e. 12-hour shifts).
14. On-line time-off requests and management of same.
15. Dedicate a member of staff to provide support and individualized service.
16. Annual filing of Type II SAS 70 Report.

Responses must comply with the regulations set forth at N.J.S.A. 10:5-31 et seq. and N.J.A.C. 17:27 "Affirmative Action Regulations", and evidence of compliance must be included. A copy of the New Jersey Business Registration Certificate and a contract document along with a fee schedule, must accompany each submission.

Responses will be reviewed by the Board of Commissioners. Contract awards will be announced at a public meeting. Said contract shall be for the calendar year 2022 with an option to extend one additional year to 2023.
