January is National Blood Donor Month

As national blood donor month, January presents an opportunity to recognize the 3% of the Americans who generously donate each year. A blood transfusion occurs every two seconds in America and a single donation can save multiple lives. Congratulations [Bricco Coal Fire Pizza](#) on being named #16 out of the [50 Best Pizzas in the World](#) according to Big 7 Travels. "Pizza is a lost art, it is not cheese and sauce." said Barone "There is passion and a skillful process that goes into a Bricco pizza. We use only the freshest, highest quality ingredients and there is an enormous amount of effort that goes into each pizza that is made."
