HTEI presents Full Circle Sounds

Full Circle Sounds is a gathering rooted in the understanding that music has always been a source of power, healing, and collective memory within the Black

community. For generations, sound has carried our stories—helping us survive, resist, celebrate, and imagine freer futures. From spirituals and gospel to jazz, hip-hop, and soul, music has been both refuge and resistance.

Hosted by Haddon Township Equity Initiative (HTEI), Ida's Bookshop, and the Township of Haddon, this Black History Month experience invites the community to reflect on how sound connects us across time. For tickets, please click on the following link: [TICKETS](#) or scan the QR code below.
